GPA Northwest ***SPONSORSHIP PROGRAM***

The GPA Northwest Sponsorship program cares for Senior Greyhounds and Special Needs Greyhounds that are older or have complicated medical conditions. Because these Greyhounds require extra care, their stay in our foster homes may be longer than most. We accept any Greyhound in need, whether the dog was originally placed by GPA Northwest or not.

GPA Northwest accepts into its foster program any dog with an injury, disease or just old age. This arrangement has enabled these Greyhounds to get the special monitoring they need to find the appropriate medical treatment for each dog. If a senior aged Greyhound does not find an adoptive home, we will care for that dog for the rest of its life in a loving foster home. Every Greyhound in our program is treated with love, caring and the best medical attention available.

We know that not everyone is able to adopt or foster a Greyhound but you can still help these beautiful creatures. You can become a sponsor for the special dogs in our foster program. Sponsor a Greyhound for yourself or in someone else's name as a gift or memorial. Sponsorship can be rewarding for birthdays, anniversaries, school classrooms, retirement home residents and others who can't adopt their own Greyhound but want to be a part of our effort.

*You **CAN** and **WILL** make a difference in the life of a greyhound in need of special care.
Your help and support will make a difference . . . one greyhound at a time.*
